

What is a Compact?

A compact is an agreement between school and family. It explains how parents and teachers will support each other to increase student achievement.

Note from the Principal

This document reflects the team efforts of the school, teachers, students and parents who are committed to the common goal of increasing student performance across all grade levels. The focus of this compact for achievement is based on school wide data.

School-Family Compact

Mackrille School

Mission Statement

We, the staff at Mackrille School, endeavor to:
Have high expectations in learning and behavior for all students.
Provide quality instruction in all areas of learning.
Have good communication among staff, students, and parents.
Create life-long learners and model good citizenship and community values.

District Goals

2017-2018

- ◆ To increase math proficiency as measured by the SBAC and district assessments for whole group and sub-groups.
- ◆ To increase reading and writing proficiency as measured by SBAC and district assessments for whole group and sub-groups.
- ◆ To actively engage parents of students in the educational process and planning for students.
- ◆ To meet the Annual Measurement Achievement Objective targets established by the Connecticut State Department of Education of achievement in English proficiency.

School Goals

- ◆ To increase reading and math proficiency.
- ◆ To strengthen character education through school and home.
- ◆ To create a safe environment both in school and on the buses.
- ◆ To strengthen the home/school partnership in an effort to increase academic success.

2nd Grade Plan

In the Classroom

- ◆ Develop goals with students that align with Common Core Standards
- ◆ Communicate with families and students on strategies to improve reading comprehension and language arts skills.
- ◆ Provide parents with homework to reinforce what's being taught in the classroom.
- ◆ Provide websites that enrich reading.
- ◆ Students will be introduced to new strategies used in Second Grade.

Parent Plan of Support

In the Home

Ideas to Make Learning Fun

- ◆ Develop a homework schedule or routine. Discuss what your child learned in school each day.
- ◆ Select a 'just right' book and read daily with your child. This means when your child reads the first page of a book he/she make only three to five mistakes.
- ◆ Have your child read fiction and non-fiction books to you on a daily basis. Encourage your child to re-tell the story to you or recall facts.
- ◆ Attend Literacy Night and Math Night to learn strategies to help your child improve literacy skills and numeracy.
- ◆ Have your child reread familiar stories and their phonics reader aloud several times.
- ◆ Visit the public library.
